Intracèuticals Oxygen Infusion

Hyperbaric oxygen facials give the skin a younger, more beautiful appearance in a completely natural way. We deliver specific serums into the deeper layers of the skin, nourishing the skin and stimulating the natural production of collagen, which visibly reduces the appearance of fine lines and wrinkles, restoring radiance and elasticity to the skin.

One Serum

- **Anti-age Treatment** min. 50 € 210
With Bakuchiol serum, a natural anti-ageing active ingredient, derived from the seeds of the Babchi plant. It has the potential to increase collagen production and stimulate cell renewal, helping to minimise the ageing signs on the skin
- **Firming treatment** min. 50 € 190
With vitamin B serum, an active ingredient with an antioxidant function, it is useful for combating the signs of ageing caused by free radicals by the exposure to the sun or other skin stress factors. It softens wrinkles and improves the skin texture
- **Restructuring treatment** min. 50 € 190
With collagen serum, it promotes skin regeneration, allowing small wrinkles to be filled and expression lines to be softened

Two Serums

Treatments can be enhanced with the addition of the argireline-based atoxelene serum. This serum is a muscle relaxant that combats wrinkles, even deep wrinkles, by stimulating the natural production of collagen.

Argireline is a peptide composed of 6 amino acids that works on the dermis by reducing the tonic contraction of facial muscles responsible of the appearance of expression lines. It is able to act at a deep level by smoothing wrinkles and toning the skin.

- **Anti-ageing treatment + atoxelene serum** min. 70 € 320
- **Firming treatment + atoxelene serum** min. 70 € 300
- **Restructuring treatment + atoxelene serum** min. 70 € 300

Spa Etiquette

Delphina Thalasso & SPA Centres are relaxing and harmony places. Please respect the other Guests' privacy and their serenity: do not use mobile phones and electronic devices and please speak with a moderate tone of voice. Please do not smoke and drink alcohol. Food and drinks are not allowed (water and herbal teas are at your disposal in the Centre).

General Information

Access to the Wellness Centre is allowed to adults and underage persons between 14 and 18, only if accompanied by parents and with a written authorization.

"L'Elicriso" Thalasso & Spa Centre's pools contain seawater warmed up at different temperatures and are equipped with jets of different for typologies and intensities, which run by pushing a button on the pools' walls.

Access to the Pools and to the Wellness Circuit is allowed only during the Centre opening hours.

We recommend you to reserve the chosen treatments at least one day in advance and to arrive to the Centre 10 minutes prior to your scheduled treatment. Being late to your appointment may shorten the duration of your treatment.

We kindly ask our Guests to store their personal belongings in the changing rooms' lockers and keep the key during the stay at the centre. However, you should deposit your valuables in the safe of your room.

Safety and hygiene practices

Glass bottles and glasses are not allowed in the Pool Area; for your own safety diving and running poolside is not permitted.

Please use the Hammam and Sauna according to the timing and modalities recommended by our staff during the Wellness Circuit explanation (you will find the same information posted near the Sauna and Hammam).

In the fitness area we suggest you sportswear and training shoes. For your own safety please do not use the cardio-fitness machines wearing slippers.

It is advisable to take a shower before using the Pools, the Sauna and Hammam and before entering the treatment rooms. The use of the swimsuit and slippers is mandatory.

Health and Pregnancy

Delphina Thalasso and SPA Centres require an authorization about the health status and the suitability to treatments; anyway it is suggested a medical examination, also possible at the hotel (upon reservation and on payment). In all Delphina Wellness and SPA Centres we suggest specific Programmes and Treatments for the mothers-to-be (from the third month onwards).

Cancellation Policy

The cost of the Treatment "à la carte", which has not been cancelled within 24 hours, will be charged. If the treatment is a part of a Wellness Package, it will be cancelled.

Programs

All programs include the “**The Thalasso & Wellness Circuit**” (*toning or relaxing*), to be done during half day treatments, with the use of:
